

# CASE SHARING

## How to grant access to another clinician

LOGIN to the O-RAD website.

Click 'View Reports' tab and login to your report viewer.

Click on the SEARCH tab.

You can search your referred patients by using their name, Patient ID or Accession number.

Surname, Firstname

Searching for patients with compound names?

My patients

Click on your patient's name on the patient list. This will open up their study (see below).

Accession Number	Scan Description	Exam Date	Modality	Order Status	Organization	Image Availability
123456-01	CT CONE BEAM HEAD/NECK	2015 Jul 16 11:30	CT/CONV. AXIAL/SLICED	Final Report	ABC	Yes
123456-02	CT CONE BEAM HEAD/NECK	2015 Jul 16 11:30	CT/CONV. AXIAL/SLICED	Final Report	ABC	Yes

Click on scan name (eg: CT Conebeam), this opens the patient's images and report

CT CONE BEAM HEAD/NECK

Images in this study are available for viewing only and are not available for diagnostic purposes. Please contact your administrator for more information.

CT CONE BEAM HEAD/NECK

123456-01

123456-02

Click on the **Grant Access** button below the patient's name and use the search box that appears to search for the clinician you wish to share with.
